

MEMORIAL VENUE

A PEACEFUL PLACE FOR REMEMBERING AND CELEBRATING LIFE

A PEACEFUL GATHERING AT THE BARN

Nestled in the heart of the countryside, our beautifully converted barn offers a calm, private and welcoming space to gather with family and friends after saying goodbye to a loved one. Surrounded by open fields and natural beauty, the barn provides a gentle, comforting setting for reflection, remembrance and shared moments.

We understand that this is a sensitive time. Our team will work quietly and respectfully in the background, ensuring that everything runs smoothly so you can focus on being together. If you wish to personalise the space with photographs, flowers or memory tables, we are happy to accommodate where possible.
